

KELATRON

World Leader in Bioactive Mineral Nutrients

Introducing Kelatron's New Line of Premium Mineral Products

K-Pure offers mineral solutions for bioavailability, stability, solubility and market needs. K-Pure products have been developed in Kelatron's new Pharma Grade Spray Dryer to add value and increase full line mineral support.

K-Pure provides high quality *solutions* for the following mineral fortification needs:

Bioavailability

Stability

Purity

Solubility

-PURE Calcium

Calcium Aspartate
Calcium Glycinate
Calcium Lactate
Calcium Citrate
Calcium Malate
Calcium D-Glucarate

-PURE Magnesium

Magnesium Aspartate
Magnesium Citrate
Magnesium Glycinate
Magnesium Malate
Magnesium Alphaketoglutarate

-PURE Chromium

Chromium Arginate
Chromium Nicotinate
Chromium Picolinate
Chromium Nicotinate/Glycinate

-PURE Manganese

Manganese Citrate
Manganese Glycinate

-PURE Copper

Copper Citrate
Copper Gluconate
Copper Glycinate

-PURE Potassium

Potassium Aspartate
Potassium Citrate
Potassium D-Glucarate

-PURE Iron

Iron Citrate
Iron Glycinate
Iron Bis-Glycinate HCl Soluble

-PURE Selenium

L-Selenomethionine

-PURE Lithium

Lithium Orotate

-PURE Strontium

Strontium Citrate

-PURE Zinc

Zinc Citrate
Zinc Glycinate
Zinc Picolinate

Spray Dryer

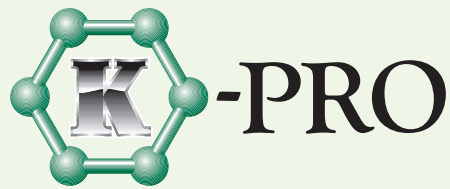

Jet Mill

ICP-MS

Introducing Kelatron's New Custom Processing Capabilities

K-Pro is our new value added, application focused processing to be your one stop mineral and custom blend partner. K-Pro offers numerous solutions to enable your business and leave the processing to us.

-  Micronization for soft -gel applications, suspensions and ready-to-drinks. Kelatron has added new jet milling capacity, to offer custom grinding for minerals and custom blends.
-  Wet granulation and Chilsonation for agglomeration and to increase density and flow.
-  New Pharma grade Spray Dryer for minerals and other toll needs.
-  Custom Vitamin and Mineral Preblends offering fast turnaround times, reduced inventory costs, and full testing capabilities.
-  Full service Research and Development team. Kelatron offers a full menu of options to help create, pilot and scale up your new project.
-  State of the art 3rd party testing capabilities. K-Pro is supported by GMP certified Miller Laboratories and offers full service laboratory results backed by industry best pricing and turnaround time. www.millerlabs.com

ICP-MS • ICP-OES • HPLC • Direct Mercury Analyzer

-  **-PRO is supported by our experienced customer service and sales team.**
Kelatron is a GMP/Kosher facility offering full services and solutions.
Kelatron is committed to be your processing partner.

KELATRON
World Leader in Bioactive Mineral Nutrients

Standard Mineral Product List

Boron

Boron Amino Acid Chelate
Boron Aspartate
Boron Citrate
Boron Glycinate

Calcium

Calcium Alphaketoglutarate
Calcium Amino Acid Chelate
Calcium Arginate
Calcium Ascorbate
Calcium Aspartate
Calcium Caprylate
Calcium Carbonate
Calcium Citrate Malate
Calcium Glycinate
Calcium D-Glucarate
Calcium Krebs Cycle
Calcium Lactate
Calcium Malate
Calcium Orotate
Calcium Succinate

Chromium

Chromium Amino Acid Chelate
Chromium Arginate
Chromium Chloride
Chromium Dinicotinate/Glycinate
Chromium Picolinate
Chromium Nicotinate
Chromium Trit
Chromium Yeast

Copper

Copper Amino Acid Chelate
Copper Aspartate
Copper Carbonate
Copper Citrate
Copper Gluconate
Copper Sulfate
Copper Yeast

Iron

Iron Amino Acid Chelate
Iron Aspartate
Iron Bis-Glycinate HCl Soluble
Iron Citrate
Iron Fumarate
Iron Gluconate
Iron Sulfate
Iron Yeast

Lithium

Lithium Aspartate
Lithium Orotate

Magnesium

Magnesium Alphaketoglutarate
Magnesium Amino Acid Chelate
Magnesium Ascorbate
Magnesium Aspartate
Magnesium Citrate
Magnesium Gluconate
Magnesium Glycinate
Magnesium Malate
Magnesium Orotate
Magnesium Oxide
Magnesium Succinate
Magnesium Taurinate
Magnesium Yeast

Manganese

Manganese Amino Acid Chelate
Manganese Aspartate
Manganese Carbonate
Manganese Citrate
Manganese Gluconate
Manganese Sulfate
Manganese Yeast

Molybdenum

Molybdenum Amino Acid Chelate
Molybdenum Trit
Molybdenum Yeast
Sodium Molybdate

Phosphorus

Phosphorus Amino Acid Chelate
Dicalcium Phosphate

Potassium

Potassium Amino Acid Chelate
Potassium Ascorbate
Potassium Aspartate
Potassium Citrate
Potassium Chloride
Potassium D-Glucarate
Potassium Gluconate
Potassium Glycerophosphate
Potassium Iodide Trit
Potassium Succinate

Selenium

Selenium Amino Acid Chelate
Selenium Aspartate
L-Selenomethionine
Selenium Yeast
Sodium Selenate
Sodium Selenite

Strontium

Strontium Aspartate
Strontium Citrate
Strontium Glycinate

Vanadium

Vanadium Amino Acid Chelate
Vanadium Citrate
Bis-Maltolato Oxo Vanadium
Vanadyl Sulfate
Sodium Metavanadate

Zinc

Zinc Acetate
Zinc Arginate
Zinc Amino Acid Chelate
Zinc Ascorbate
Zinc Aspartate
Zinc Gluconate
Zinc Glycinate
Zinc Methionate
Zinc Oxide
Zinc Picolinate
Zinc Sulfate
Zinc Yeast

Please ask your sales representative about any additional mineral needs.
